ACKNOWLEDGMENT

The *Missile* Staff of 1958 wishes to acknowledge with sincere gratitude the cooperation shown by the staff of WXEX-TV. Mr. Robert I. Grossman, program director of this station, has given valuable assistance in ideas for planning our yearbook and has added attractiveness to the photographic features by offering the facilities of WXEX for use in taking pictures.

WPHS PRESENTS . . .

Today television is the center of the home life, all members of the family being interested and influenced by its varied presentations. We watch programs dealing with literature, history, science, and religion; also, we are informed of the latest happenings and events in our world today. Television is one of the greatest forces of education at the present time and in the future will surely assume even greater importance and use in our schools.

Because of its prominence and influence in our lives we, the staff of 1958, feel it to be appropriate to organize our *Missile* as a television presentation.

MISSILE'S EMMY AWARD

MR. D. PINCKNEY POWERS, our beloved English teacher, has been a good friend and teacher to many students since he came to Petersburg High School in 1921. Mr. Powers received his Bachelor of Arts and Master of Arts degrees from the University of Virginia. Before coming to Petersburg, he taught at McGuire's School in Richmond, Virginia. He has been the advisor of the *School Weekly News* and, as a pianist, has been active in music circles in Petersburg and Richmond and, at present, is the organist in the First Baptist Church in Petersburg.

Mr. Powers is indeed appreciated by his students, past and present, for his impartial aid and advice. Because of his excellent teaching, his pupils have gone into institutions of higher learning and along different roads of life with a better conception and understanding of the English language and English literature. Even more important than this, however, Mr. D. Pinckney Powers, with his high moral and spiritual ideals, sense of humor, and keen appreciation of beauty and the finer things of life, has been an inspiration for the students of Petersburg High School.

With pride and affection, the *Missile staff* of 1958 dedicates this yearbook to Mr. D. Pinckney Powers.

TRI - HI - Y's

There are three Tri-Hi-Y's that are affiliated with the Petersburg YMCA and the Virginia District YMCA the K Warner, Pence, and Criswood, to which approximately 75 girls belong.

These clubs have been very active during the past year. The K Warner Tri-Hi-Y has had several dances to raise money for the club treasury as well as making an appearance on television and donating money to worthy charities. The Pence Tri-Hi-Y sold Christmas wrapping paper for the holiday season. They also helped make Christmas bright for a needy child in the hospital.

HI - Y's

The Cockade and Crater are the two Hi-Y's in Petersburg.

The Crater Hi-Y have had many successful dances this year. The beautiful flowers in the homerooms this past fall were presented by this group. They also sent generous baskets of food to a needy family at Christmas and Thanksgiving.

The Cockade Hi-Y sold cokes at the baseball games and sold football programs during the football season.

All the above organizations participated in the Petersburg High School Homecoming Festivities. Their co-operation helped to make our first homecoming a success. The K Warner Tri-Hi-Y, Pence Tri-Hi-Y, and Cockade Hi-Y sent delegates to the Model General Assembly in Richmond in April. These clubs occupied the Salvation Army booth for one day during the Christmas season.

Like all of the Junior Varsity teams in our school this year, the 1957 Junior Varsity Baseball Team consisted chiefly of freshmen. Although there were two sophomores on the team, thirteen of the players were freshmen. The leading batsman for Coach Bernie Pinchbeck's squad was Jimmy Smith, who hit over .400 for the season. The team won six of their eight games with pitcher Harold Ford having a record of five wins and two losses and Pitcher Ryland Vest winning one.

DISTRICT CHAMPIONS

Not since 1945 has a Petersburg High School team won the Central District Baseball Championship, but in 1957 the thirteen man Wave squad walked off with our first title in a dozen years. With only six returning lettermen and one seasoned pitcher, the team, led by captain Ronnie Walker, tackled a sixteen game schedule with much enthusiasm beginning with an 8-1 victory over Dinwiddie. On May 14 the team clinched the title by stomping Hopewell 8-2. Hustle, spirit, and a beaming desire to win were the key notes of the 1957 team, which won eleven of the fifteen games they played.

At the close of the season three players were named to the All Central District First Team. They were third baseman Bobby Goulder, who led the district in hitting with a mark of .387; pitcher, Jimmy Cook, whose .075 earned run average also led the district; and center-fielder, Ronnie Walker, who was signed by the Philadelphia Phillies.

The 1958 Varsity Basketball squad finished its regular season with a record of ten wins and ten losses which was the best one that the Wave has had in several years.

The Wave finished seventh in the regular season Central District standings but was beaten in the quarter-finals of the district tournament by Highland Springs.

Except for three players the squad will remain intact for next year's season. Bernard Vaughan, the team's top rebounder and second leading scorer, graduated in February. Wayne Beville and Dick Bentley will graduate in June.

High scorer on the team was Bill Burton who is now a sophomore.

The team played outstanding basketball the entire season but could not quite match the overall strength and height of the district leaders.

PHS GOLF TEAM

The golf team finished up its season with four wins and six losses. The team was coached by Mr. Robert Budlove, a teacher at Bolling Junior High School. The team captain was Algie Pulley, one of the state's leading junior golfers.

The team consisted of four players: Algie Pulley, who was medalist in most of the matches; George Finney, Lewis Wyche; and Walter McMahon. The team played its home matches on the Lee Park Golf Course. The schools the team played were: Hopewell, Hermitage, Highland Springs, Lane, and Douglas Freeman.

Left to right: Bobby Harris, Jimmy Williamson, Walter McMahon, Algie Pulley, George Finney and Lewis Wyche.

PHS VARSITY CLUB

The Varsity Club, newly formed at Petersburg High School of which all lettered athletes in a major sport are members, was organized to promote better sportsmanship between individuals, teams and schools and to provide a basis for a closer relationship between the major sports. An additional purpose of this organization is to create a closer tie between the athletic program and other school activities and to stimulate interest in and provide more incentive for greater participation in varsity sports.

1957 CRIMSON WAVE

The 1957 Varsity Football Team won three of its ten games. Fighting inexperience, and a much larger opponent in most of its games, the Wave was beaten only twice by more than two touchdowns.

Captain and quarterback John Emory led the team both on the field and off.

The Crimson Wave had only six lettermen in its ranks, but a look to the future shows twenty-six lettermen who received letters at the end of the season, and twenty of these will be back again next year.

At the end of the season five players gained honorable mention on the Associated Press Central District all-star team. These boys were Paul Bowles who led the Wave in scoring with thirty points, John Emory, Wayne Beville, Ronnie Moody, and Charles Parker.

PETERSBURG YMCA SWIM TEAM

JIMMY GROSSMANN

The Petersburg YMCA swimming team ranked as one of Virginia's outstanding teams on the basis of both boys and girls competition. As in last year's season, the local natators lost only one dual meet. David Yerger, Jimmy Grossmann, Brenda Bowman, Sigrid Tubb, Mary Carter, Christine Longstreet, and Skipper Beek set the pace for the team.

This is a team that is full of spirit, desire, and talent that has outdone every previous swimming season locally.

Outstanding achievements include the win in the Senior Girls Division in the winter Virginia AAU meet, the performance in the Tidewater Invitational AAU championships, ranking of first place in overall Virginia YMCA competition, and the placing of John VanLandingham and Brenda Bowman on the second team of the Virginia AAU.

GOOD GAS SERVICE MAKES WARM FRIENDS

CONGRATULATIONS, GRADUATES!

Although now you are graduates, you can do a great service for the rest of us, if you never cease to be students — looking for opportunities and ways to cherish the American system of free enterprise and to improve the American way of life. You can be thankful for free schools in a country where you are free to worship and work and think and talk as you please. This is your heritage from the people who built America.

THE FUTURE is pretty largely in your hands — you must be vigilant and active to combat the evils of socialism, government domination of private industry, and all the “isms” that destroy democracy. We depend upon you to do a good job.
